

THE GLASS GAZETTE

August 2017

Fall 2017 CLASS SCHEDULE

- **INTRODUCTION TO/OPEN STUDIO FUSED GLASS—\$150.00**

Monday Evenings : 6:30PM—8:30PM—Sept 18 — Oct 23

Learn the basics of glass fusing by creating test tiles as well as creating art projects of your own choosing. This time can also be used by more experienced fusers as an open studio to work on your own projects. Students provide their own glass cutter and pliers. Some materials provided.

- **INTRODUCTION TO STAINED GLASS—\$150.00**

Tuesday Evenings: 7:00PM—8:30PM—Sept 19—Oct 24

Learn the basics of the copper foil method of stained glass. Students will learn how to cut glass, foil, solder and frame their project. Students must provide their own glass cutter, pliers, soldering iron and materials to create project.

- **Fused Glass 3-d Light up Christmas Tree—\$95.00**

Thursday October 6 and Thursday October 12—6:30PM —8:30PM

Create a 3 dimensional lighted Christmas Tree approximately 9" tall. All Materials provided including light source.

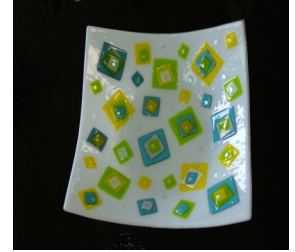

- **Fused Glass Platter or Bowl with Castings**

Tuesday Nov 7 and Thurs Nov 9: 6:30PM—8:30PM—\$150.00

Learn to create fused glass castings using Creative Paradise molds and Bullseye powders and frit. Castings will then be used as design elements for a bowl or platter. All materials and firings included in fee.
