• **DIMENSIONAL FUSING with FANCY FISH (1-day class)**

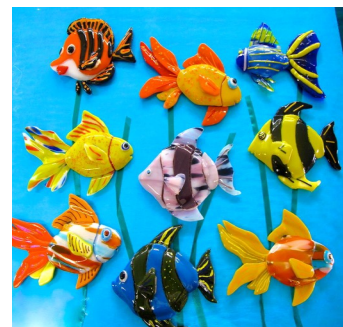

**FRIDAY MAY 18, 9AM – 5PM – TUITION 195.00**

All supplies provided. Bring your own glass cutting tools.

Skill Level: Intermediate, Basic glass cutting skills required

Hours: 9am – 5pm

Want to add dimension and texture to your fused glass pieces or fused elements for mosaics? This class will teach you techniques for adding texture and movement for 3-dimensional effects through the use of various fused glass materials, glass paints, and fiber paper. Students will make a large 7" fish that can be incorporated into a mosaic piece or as a stand alone piece. Techniques for adding a wire loop for wall display, and resizing and reorienting the pattern will be covered. Students will also make a 4"x4" fused tile that can be rigged for hanging.

• **FUSED GLASS MOSAICS with DEPTH (2-day class)**

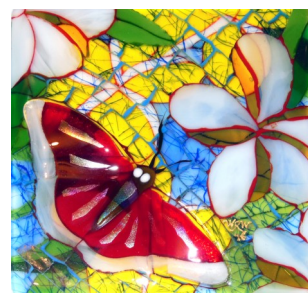

**SATURDAY AND SUNDAY MAY 19<sup>th</sup> & 20<sup>th</sup> · TUITION \$390**

All supplies provided. Bring your glass cutting tools.

Skill Level: Intermediate, Basic glass cutting skills required

Hours: 9am – 5pm

In this two-day workshop, you will create a 6"x6" double-sided fused glass mosaic with lots of depth and dimension. This class combines the techniques of mosaics with fused glass by layering and stacking the glass to produce a unique work of art. Students will be provided with a variety of patterns to choose from and shown several ways to cut glass into small tesserae or glass tiles. We will cover design considerations, the andamento or visual flow and placement of the tesserae to complement your design. This is a great class for the mosaic artist or glass fuser to take it to the next level by combining the techniques of both art forms.
